Rob,

We agree with EPA's position. Let TOPS do the talking.

Regards,

Brad

Any time from 1 Central to 4 Central... and I guess for an hour. Not sure what case the company wants to make. We will mainly be in a listening mode since they want us to change our position. We don't think it is necessary for us to prove anything to them. The LOOP permit pretty much set the baseline and we do not think that doing less is prudent.

Tuesday?

Brad & Ray - Maria said that she is pretty open on  
Tuesday but is  
unavailable on Thursday. Can you check with the  
company on  
availability? It is usually easier to meet in the  
afternoons due to  
conference room availability.
